

# CUT TOUR

## 2011

10 Weeks.

30 Cities.

**August 31 - November 12**

presented by...

CUT is a documentary film which examines the subject of male circumcision from a religious, scientific and ethical perspective. Using cutting-edge research, in addition to interview footage of rabbis, philosophers, and scientists, CUT challenges the viewer to confront their biases by asking difficult questions about this long-standing practice.

Please join us at the location below for a screening of this powerful film, followed by discussion with Jewish film-maker Eliyahu Ungar-Sargon.
